

8. Iontas (Wonder)

(Naomi Dunleavy)

Jesus, now dead, lies in the tomb. All his followers, including his mother, wonder in amazement at how it has got to this. Jesus was praised at his entry to Jerusalem only a few days before, yet now he lies dead in a tomb. Is this the end of the story of Jesus Christ or is there another chapter to unfold? Holy Saturday is a quiet time, a day of pondering what has happened and what may come to pass. This original instrumental captures beautifully the wonderful suspense of Holy Saturday.
